Dear CEO,

Sub: Taluk & GP allocation to outsourced staff.

On issue of allocation of taluks and GPs to <sup>outsourced</sup> Engineers of Agriculture/Horticulture/Forestry Grads; CEO must issue written orders under his own hand & seal. In this regard, for sake of maximum transparency, CEO may adopt the following procedure—

1. As per merit list the newly joined <sup>outsourced</sup> personnel may be called in a CET counselling mode by {CEO + DS + Team}.
2. In the merit order, the candidate may be permitted to pick taluk of his/her choice— subject to vacancy in a given taluk.
3. The number of personnel to be deployed in a given taluk has already been informed in writing to you.
4. NONE CAN GO / PICK HIS/HER OWN TALUK (Home Taluk).
5.  $\frac{1}{3}$ <sup>rd</sup> of the posts (at least one if  $\frac{1}{3}$ <sup>rd</sup> < 1) shall be given to SC or ST in each taluk (subject to availability of candidates).
6. The method of allocation of taluks to SC/ST shall be internal merit-based (within their category). In case SC/ST are left/ more than  $(\frac{1}{3})$  of total posts then extra SC/ST candidates

shall be assigned as per general merit purely based on open merit. REPEAT only extra/additional SC/ST candidates beyond  $(1/3)^{rd}$  of total seats in each taluk (minimum 1) shall be assigned taluk under open merit.

7. Each <sup>outsourced</sup> ~~Engineer~~ / Agriculture / Horticulture / Forestry personnel must be given charge of Gram Panchayats such that no single GP is split over more than one personnel. CEO shall do this under his/her signature.

REPEAT: None other than ONLINE applicants can be sponsored by Manpower Agency.

Yours sincerely,

(MUNISH MOUDGIL)

To

All CEO ZP of 29 Districts (except Bangalore)
